Applicant Please Read -- I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

9. Signature of Applicant: _____ Date: _____

..... **Staff use only**

Application Accepted By: _____ Date: _____ Permit Number _____
(Staff Signature)

General Requirements/Conditions for a Partial Demolition Permit:

1. It is the responsibility of the contractor performing the demolition work to confirm with the Utility Companies that all utilities affecting the demolition have been properly disconnected, severed and/or abandoned by the respective utility company **prior to commencing** demolition work.
2. A copy of the "Asbestos Fact sheet" has been attached to the permit. It is the responsibility of the contractor to confirm that all KDHE requirements regarding asbestos removal are met.
3. A final inspection is required when the demolition is completed. The person performing the work shall request/schedule this inspection. This inspection is required even when the demolition work immediately precedes or is in conjunction with a building permit for new construction.

Other condition(s):

Approved By: _____ Date: _____ Permit Fee: _____ Receipt # _____ Date Issued: _____
